

The ultimate Cinque Terre discovering experience

The Cinque terre, five small villages suspended between the sea and the sky, located in 5 miles of a very sharp coastline.

We propose a tour to discover this unique world heritage site, moving around by train and boats: we can arrange a tailor- made itinerary, according to your wishes and we assure that it will be an unforgettable experience.

The Sciacchetour, the top wine experience in the Cinque Terre

The Sciacchetra is the most precious product of the Cinque Terre: a raising wine with a centenary history, celebrated by famous poets and writers.

We will have an easy walk to visit a vineyard in the traditional “terrazzamenti”, made up by ancient dry-stone walls. We will meet a producer, who will unveil the wine making methods. Then the experience will end in the cellar with the tasting of this amazing sweet wine.

Trekking itineraries

Our trekking guides are ready to satisfy your wants with several itineraries along the trails in The Cinque Terre national Park and in the Regional Park of Portofino. We'll be glad to fulfill all your expectations to create a customized experience.

Discovering Portovenere

Portovenere is a fortified village in the Gulf of La Spezia and a Unesco heritage: its incomparable beauty has fascinated poets, writers, painters and composers since the Middle Age. We will discover all the little lanes and stairways leading to the Church of St. Peter, one of the most beautiful spots in the world.

There is the possibility to complete the experience with a trek around the Palmaria island, which is just in front of the village. It is a walk of about 3 hours, surrounded by nature , in company of seagulls and wild goats.

The premium Portofino experience

Portofino is one of the most celebrated destinations worldwide: all the movie stars and celebrities spent the time of their life in this tiny village with its colourful traditional houses. We will stroll around the alleys in a Dolce Vita atmosphere: you will have the possibility to enjoy an aperitif in the famous Piazzetta, to do shopping and to have a nice walk to the lighthouse.

We can organize an exclusive cooking class up on the hill, with a breathtaking view.

The ultimate Genoa discovering experience

Genoa was one of the four Maritime Republics in the Middle Age, named La Superba. The city has the widest monumental center in Europe, full of ancient churches and palaces. We will walk around the “carugi”, (the narrow lanes around the ancient port), leading to the Cathedral dedicated to Saint Laurence. We can also organize a “Pesto” tasting during the itinerary

Carrara and the marble quarries experience

Carrara is surrounded by the Apuan Alps, also called the marble mountains, with its famous quarries used by Michelangelo and many other sculptors.

The visit of the quarries in the valley of Colonnata will end with a “Lardo” tasting: an amazing cured meat, which is left in marble boxes for 6 months

there is the possibility to complete this experience with a breathtaking jeep ride, up to the highest quarries (at around 3300 feet)
